

## Rail Trolley Specifications

### Features and Benefits

- 3 built-in ports for additional tooling ex. Rail Gantry
- Air braking system
- Directional sensors
- Solar panel battery tending / Anderson plugs
- Pneumatic flow indicator
- Multiple drawbar attachment options
- Working lights
- Battery gauge indicators
- Forklift compatible

Machine Data	Imperial	Metric
Tare Weight	2180 lbs	1 tonne
Capacity	22000 lbs	10 tonnes
Max Travelling Speed	10 mph	16 kph
Max Travelling Speed through S&C	5 mph	8 kph
Max Travelling Speed through Raised Check Rails	3 mph	5 kph
